

Idaho Section of the American Water Resources Association

Tuesday, October 2, 2018 11:30am - 1:00 pm

LEED Platinum Banner Bank Building, 2nd floor, 950 W Bannock St, Boise ID 83702

Boyd Bouwes, Owner, Watershed Solutions Inc.

Boyd's presentation will be focused on giving an introduction to the genesis of the CHaMP program and will address the swath of work generated by the CHaMP Program, this includes: the Fish habitat Monitoring protocol, databases, metrics, tools, analysis, reports, and publications that were derived from the CHaMP program over the course of the past seven years. He will also discuss the different platforms for accessing data and models generated from the CHaMP program.
